*Player Information Guide*

Dear ECC Members:

On behalf of the entire staff, I would like to welcome you to the 2022 season. I am excited for this year to begin and to share some new changes for 2022!

The 2022 Association Presidents are:

*Ty Bailey – Men’s Association Co-President*

*Jack Drey – Men’s Association Co-President*

*Pat Bode – Ladies Association President*

*Nikki Barclay – Ladies Association VP/President-Elect*

Together we are tasked with shepherding our successful golf club through another year. Communication is key, so please talk to us! We want to know what you like, don’t like, what ideas you have, how we can do better, and what we can do to keep our club’s events filled, fun, and competitive.

I would like to thank both committees for the time and effort they put into the planning and executing the numerous events we host. Our goal is to create a fair and competitive environment where we can have fun with new and old friends.

See you at the club!

## Handicapping

- All tournament and league scores where Golf Genius is used for scoring will be posted by the golf shop that day. All tournament and league scores will be posted as “C” (Competition) Scores.
  - In the latest update of the USGA Rules of Golf, “C” scores are not weighted any differently than “Home” or “Away” scores. It is simply a designation of how to sort scores by competitive rounds should a handicap adjustment be needed.
- All indexes for events will be pulled 3 days prior to the event.
- All handicap percentages will be determined from the USGA Rules of Handicapping Appendix C, listed below.

Format of Play	Type of Round	Recommended <i>Handicap Allowance</i>
Stroke play	Individual	95%
	Individual Stableford	95%
	Individual Par/Bogey	95%
	Individual Maximum Score	95%
	Four-Ball	85%
	Four-Ball Stableford	85%
	Four-Ball Par/Bogey	90%
Match Play	Individual	100%
	Four-Ball	90%
Other	Foursomes	50% of combined team handicap
	Greensomes	60% low handicap + 40% high handicap
	Pinehurst/Chapman	60% low handicap + 40% high handicap
	Best 1 of 4 stroke play	75%
	Best 2 of 4 stroke play	85%
	Best 3 of 4 stroke play	100%
	All 4 of 4 stroke play	100%
	Scramble (4 players)	25%/20%/15%/10% from lowest to highest handicap
	Scramble (2 players)	35% low/15% high
	Total score of 2 match play	100%
	Best 1 of 4 Par/Bogey	75%
	Best 2 of 4 Par/Bogey	80%
	Best 3 of 4 Par/Bogey	90%
4 of 4 Par/Bogey	100%	

## ***Tees***

All events will be from the **BLUE** tees for men and **RED** tees for ladies unless otherwise specified\*. All competitive rounds are available to be reviewed by the Golf and Handicap Committees.

*\*Please note some men's events require all players to play the Blue Tees.*

### **White Tee Policy:**

The white tees are available for men that have an established handicap from those tees (10 posted rounds), and you must declare that you are playing the white tees when you sign up for the event. We are trying to take subjectivity out of this policy by requiring the handicap be established from the tees to be played.

The following criteria should be used to help determine which players will be allowed to play from the white tees.

1. Does the player have the ability to fairly compete from the blue tees?
2. Does the player gain an unfair advantage by playing the white tees?
3. Does the player have an 8 or lower course handicap from the blue tees?

If the answer to any question is yes, the player should compete from the blue tees with the rest of the field.

All players may be evaluated at any time by the Golf/Handicap Committee if their ability warrants playing with the rest of the membership from the blue tees.

# ***Player Responsibilities***

## **Handicaps:**

All Men's and Ladies' Association members, or anyone participating in a golf event, are required to maintain an accurate and honest handicap. Players are expected to understand how to properly adjust and post scores. If you are unsure of how to adjust or post your score, please ask the golf shop, or visit [www.usga.org](http://www.usga.org).

"I didn't know" is **not** an excuse for handicap violations. Players are required to post all scores as soon as possible after their round. The GHIN mobile app is an excellent resource for posting scores which is very quick, easy to use, and always in your pocket. All scores should be posted the same day the round was play.

## **This is what the USGA says about what a Handicap Index represents:**

*A Handicap Index is designed to represent your ability when you're playing well – which is why you should be proud whenever you play to your handicap or better. You can typically expect to score about 2-4 strokes higher. (USGA Handicapping Reference Guide, pg.22)*

An important component of the USGA Handicap System is peer review, which provides the ability to review other member's scoring records. It is incumbent upon all club members to participate in peer review.

Participants in all club events must have an established handicap. If you do not have an established handicap the PGA staff will assign you one based on recent scores. If you do not have any recent scores, your handicap will be a +2 for men and a 0 for ladies.

The Golf/Handicap Committee will monitor and review handicaps for ECC events. This year that committee is comprised of Jeff Reck, Pat Bode, Evan Stachowicz, and Dana Stephens.

## **Posting Scores:**

To post scores, please utilize the GHIN mobile app or inform the golf shop of your score after your round. Posting your score the day you play is very beneficial to potentially take advantage of the Playing Conditions Calculator (please see the USGA rule book for more information).

Please post every round HOLE-BY-HOLE rather than entering a total score. This helps the club study the hole handicaps so we can make appropriate adjustments and helps with the accuracy of your handicap as it is figured with Stroke Control. The max score any player can take on a hole for posting purposes is Net Double Bogey. Many events (such as stroke play events) you can still record a score higher than Net Double Bogey, but for posting purposes, Net Double Bogey is the highest score the GHIN system will allow.

Net Double Bogey is defined as double bogey plus the number of handicap strokes allotted on that hole. If a player gets one (1) stroke on a par 4, net double bogey is seven (7). (Double bogey: 6 + Handicap strokes: 1). If a player gets two (2) strokes on a par 5, net double bogey is nine (9). (Double bogey: 7 + Handicap strokes: 2).

### **Remember:**

We are here to have fun with old and new friends. Let's congratulate a player that shoots a career round!

### **Respect the Golf Course:**

All players are expected to repair ball marks, rake bunkers, and fill in divots with sand and seed mix. Leave each hole as you would like to find it when playing. Please remember to lay the flagstick down as to not damage the green.

### **Golf Cart Regulations:**

- Only two (2) riders per cart
- Max of three (3) bags per cart
- 3 players or less = 2 carts max per group (please pair up)
- 4 players or more = 3 carts max per group (please pair up)
- Driver of any cart (club or privately owned) must be 16 unless accompanied by an adult
- All carts must be kept 30 feet from greens, tees, and bunkers
- Keep all four tires *on the cart path* around tees and greens

### **Pace of Play:**

Players are responsible to keep up with the group in front of them. Don't look back when seeing if you are on pace, *look forward*. Always play ready golf (something the USGA rules now recommend). During team tournaments, balls that do not count for team score should be picked up and the "most likely" score should be recorded. During regular play, slower groups should always allow faster groups to play through if a hole is open ahead.

### **Practice Facility:**

Due to its small size, our range should be treated as more of a warm-up facility. The **MAX** distance allowable on the range is 250 yards. Please be courteous to other members and **DO NOT** strike any shots that could go further than 250 yards. You are liable for any errant shots that leave the range, in any direction.

### **Match Play Tournaments:**

There frequently are challenges in scheduling and playing matches, both individual and team. If you struggle to find a time available on the tee sheet, please contact the golf shop and we will do our best to help facilitate a time. Matches not completed by the deadline will be subject to a coin flip. Delays in each round push later rounds out further and further and the season simply cannot delay too long. Get your matches scheduled and played as soon as you can.

## **Rules:**

Players are responsible for understanding the rules. Rules/Format sheets will be available before every tournament. Please take the time to read and understand them. See the golf shop if you have any questions

- **No gimmies!** Any score going on the scorecard **MUST** go in the hole
- Please turn in legible and accurate scorecards
- Please only write **GROSS** scores on the scorecard
- All tournament scores and league scores will be posted by the golf shop as “C” scores

## **Dress Code:**

Proper Golf Attire for Men:

- Collared shirt | Well-maintained t-shirt | Pants/Jeans | Shorts of medium length

Proper Golf Attire for Ladies:

- Ladies’ shirts must have sleeves or a collar | Well-maintained t-shirt | Pants/Jeans | Shorts/Skirts/Skorts of medium length

Not Appropriate Attire:

- Metal spikes are prohibited

## **Other Golf Policies:**

- Guests may play with any member up to a total of five (5) times per year
- All golf shop credit expires December 1<sup>st</sup> each year
- Play will be commenced only with Golf Shop approval at either #1 or #10 tees. Play is not to be commenced from any other place on the course, except during authorized shotgun tournaments.
- 5-somes are allowed with Golf Shop approval
- 6-somes are allowed from November 1 – March 31 with Golf Shop approval
- Players stopping for lunch after 9 holes will relinquish 10<sup>th</sup> tee privileges
- Any individual damaging the golf course or carts in any manner shall be assessed the damage. Members are responsible for their guests.
- The Men’s and Ladies Associations, along with the PGA Head Golf Professional shall govern all matches, tournaments, and events. Approval of outside events shall be at the discretion of the Board of Directors
- Tournaments and events will be publicized via email, on bulletin boards, and through other means
- No game or contest of any character, to which the public may be invited, shall be held upon any part of the club grounds without the previous permission of the Board of Directors

## ***Race for the Cup Point System - Men***
