Handicapping

- All tournament and league scores where Golf Genius is used for scoring will be posted by the golf shop that day. All tournament and league scores will be posted as “C” (Competition) Scores.
 - In the latest update of the USGA Rules of Golf, “C” scores are not weighted any differently than “Home” or “Away” scores. It is simply a designation of how to sort scores by competitive rounds should a handicap adjustment be needed.
- **Men’s Tournaments: Course handicaps for 2-Man Best Ball and Member-Guest will be the lowest index from the last year from the date of the tournament. Players must have a minimum of 10 posted scores in the last year. All other tournaments will be the lowest index from the last 6 months.**
- **New EWGA (Eaton Women’s Golf Association)2024 Tournament Handicap Rules: In the interest of fairness and increasing participation in all Eaton Country Club’s ladies’ tournaments, a change has been made to our tournament handicaps. Your Handicaps for all Ladie’s tournaments will be based on your last 5 tournament scores in the last 3 years. If you do not have 5 tournament scores, we will use your current handicap index. This was done to give an overall representation of tournament play versus regular play and make it fairer for all participants.**
- All handicap percentages will be determined from the USGA Rules of Handicapping Appendix C, listed below.

Format of Play	Type of Round	Recommended <i>Handicap Allowance</i>
Stroke play	Individual	95%
	Individual Stableford	95%
	Individual Par/Bogey	95%

Tees

In certain events/leagues, players will have the option to play from different sets of tees. Tee options will be posted on the event's rule sheet. As a rule of thumb, below are the parameters for tee options for men based on index. Course Handicaps for all events that allow different tee options will be adjusted according to USGA recommendations.

- 8.0 and under: Black or Blue Tees
- 8.1 – 14.9: Blue or White Tees
- 15 and above: Blue, White, or Red Tees
- Gold Tees may be considered for extenuating circumstances

**Please note some men's events require all players to play the Blue Tees.*

For Women, some events are played from Red Tees only. Some events the option of Red Tees or Gold Tees will be available. Tee options will be posted on event rule sheet.

ALL PLAYERS MUST NOTIFY THE GOLF SHOP WHICH TEES THEY ARE PLAYING UPON SIGN UP FOR EVENT.

For regular play, we suggest that you play whichever set of tees that allow you to have the most fun!

Just remember when posting your score to indicate which set of tees you played from.

Player Responsibilities

Handicaps:

All Men's and Ladies' Association members, or anyone participating in a golf event are required to maintain an accurate and honest handicap. Players are expected to understand how to properly adjust and post scores. If you are unsure of how to adjust or post your score, please ask the Golf Shop staff, or visit www.usga.org.

"I didn't know" is **not** an excuse for handicap violations. Players are required to post all scores as soon as possible after **every** round. The GHIN mobile app is an excellent resource for posting scores which is very quick, easy to use, and always in your pocket. All scores should be posted the same day the round was played.

This is what the USGA says about what a Handicap Index represents:

A Handicap Index is designed to represent your ability when you're playing well – which is why you should be proud whenever you play to your handicap or better. You can typically expect to score about 2-4 strokes higher. (USGA Handicapping Reference Guide, pg.22)

An important component of the USGA Handicap System is peer review, which provides the ability to review other member's scoring records. It is incumbent upon all club members to participate in peer review.

Participants in all club events must have an established handicap. If you do not have an established handicap the PGA staff will assign you one based on recent scores. If you do not have any recent scores, your handicap will be a +2 for men and a 0 for ladies.

The Golf/Handicap Committee will monitor and review handicaps for ECC events.

Posting Scores:

To post scores, please utilize the GHIN mobile app or inform the golf shop of your score after your round. Posting your score the day you play is very beneficial to potentially take advantage of the Playing Conditions Calculator (please see the USGA rule book for more information).

Please post every round HOLE-BY-HOLE rather than entering a total score. This helps the club study the hole handicaps so we can make appropriate adjustments and helps with the accuracy of your handicap as it is figured with Stroke Control. The max score any player can take on a hole for posting purposes is Net Double Bogey. Many events (such as stroke play events) you can still record a score higher than Net Double Bogey,

but for posting purposes, Net Double Bogey is the highest score the GHIN system will allow.

Net Double Bogey is defined as double bogey plus the number of handicap strokes allotted on that hole. If a player gets one (1) stroke on a par 4, net double bogey is seven (7). (Double bogey: 6 + Handicap strokes: 1). If a player gets two (2) strokes on a par 5, net double bogey is nine (9). (Double bogey: 7 + Handicap strokes: 2).

Remember:

We are here to have fun with old and new friends. Let's congratulate a player that shoots a career round!

Respect the Golf Course:

All players are expected to repair ball marks, rake bunkers, and fill in divots with sand and seed mix. Leave each hole as you would like to find it when playing. Please remember to lay the flagstick down as to not damage the green.

Golf Cart Regulations:

- Only two (2) riders per cart
- Max of three (3) bags per cart
- 3 players or less = 2 carts max per group (please pair up)
- 4 players or more = 3 carts max per group (please pair up)
- Driver of any cart (club or privately owned) must be 16 unless accompanied by an adult
- All carts must be kept 30 feet from greens, tees, and bunkers
- Keep all four tires *on the cart path* around tees and greens

Pace of Play:

Players are responsible to keep up with the group in front of them. Don't look back when seeing if you are on pace, *look forward*. Always play ready golf (something the USGA rules now recommend). During team tournaments, balls that do not count for team score should be picked up and the "most likely" score should be recorded. During regular play, slower groups should always allow faster groups to play through if a hole is open ahead.

Practice Facility:

Due to its small size, our range should be treated as more of a warm-up facility. The **MAX** distance allowable on the range is 250 yards. Please be courteous to other members and **DO NOT** strike any shots that could go further than 250 yards. You are liable for any errant shots that leave the range, in any direction.

Match Play Tournaments:

There are frequent challenges to scheduling and playing matches, both individual and team. If you struggle to find a time available on the tee sheet, please contact the golf shop and we will do our best to help facilitate a time. Matches not completed by the deadline will be subject to a coin

flip. Delays in each round push later rounds out further and further and the season simply cannot delay too long. Get your matches scheduled and played as soon as you can.

Rules:

Players are responsible for understanding the rules. Rules/Format sheets will be available before every tournament. Please take the time to read and understand them. See the golf shop if you have any questions

- **No gimmies!** Any score going on the scorecard **MUST** go in the hole
- Please turn in legible and accurate scorecards
- Please only write **GROSS** scores on the scorecard
- All tournament scores and league scores will be posted by the golf shop as "C" scores

Dress Code:

Proper Golf Attire for Men:

- Collared shirt | Well-maintained t-shirt | Pants/Jeans | Shorts of medium length

- Any individual damaging the golf course or carts in any manner shall be assessed the damage. Members are responsible for their guests.
- The Men's and Ladies Associations, along with the PGA Head Golf Professional shall govern all matches, tournaments, and events. Approval of outside events shall be at the discretion of the Board of Directors
- Tournaments and events will be publicized via email, on bulletin boards, and through other means
- No game or contest of any character, to which the public may be invited, shall be held

upon any part of the club grounds without the previous permission of the Board of Directors

Race for the Cup Point System - Men

The Race for the Cup point system is used to determine the Season-Long Race for the Cup Champion.

Standings are updated after each Race for the Cup event and are posted outside the golf shop and will be shared in golf shop update emails. Each event allocates 275 points for the top 10 finishers. **The top finishers in the Race for the Cup will qualify for the WYCO Cup and the Inaugural Eaton CC Ryder Cup Event.**

All members playing in Race for the Cup events (except for Finale/Closing Day) will be charged \$5 additional to the entry fee that will go to the Race for the Cup payout. **Each player participating in a race for the cup event will receive 5 points.** Last year we paid the top 7 spots, with the Race for the Cup champion winning \$400 in shop credit!

Each Event Allocates **275 Points** (ties will be split)

50 - 45 - 40 - 35 - 30 - 25 - 20 - 15 - 10 - 5

- **THURSDAY NIGHT MEN'S LEAUGE:** 275 points allotted per flight.
- **ARNOLD DALTON:** Top ten individual members.
- **2 MAN BEST BALL:** Top ten members.
- **REX EATON/CLUB CHAMPIONSHIP:** Top 10 36-hole net winners (Double points event)
- **MEMBER/GUEST:** Top ten members.
- **INDIVIDUAL MATCH PLAY:** Point distribution determined by number of entrants.
- **TEAM MATCH PLAY:** Point distribution determined by number of entrants.
- **FINALE (Men's Closing Day):** Double points for top ten individuals.
 - 100 - 90 - 80 - 70 - 60 - 50 - 40 - 30 - 20 - 10
 - Overall points champion after final event wins the Cup and shop credit.
