## ***Handicapping***

- All tournament and league scores where Golf Genius is used for scoring will be posted by the golf shop that day. All tournament and league scores will be posted as “C” (Competition) Scores.
  - In the latest update of the USGA Rules of Golf, “C” scores are not weighted any differently than “Home” or “Away” scores. It is simply a designation of how to sort scores by competitive rounds should a handicap adjustment be needed.
- Men’s Tournaments: Course handicaps for 2-Man Best Ball and Member-Guest will be the lowest index from the last 6 months from the date of the tournament. Players must have a minimum of 10 posted scores in the last year. All other tournaments will be either the lowest index from the last 6 months or current index and will be stated on the format sheet.
- EWGA (Eaton Women’s Golf Association)2025 Tournament Handicap Rules: In the interest of fairness and increasing participation in all Eaton Country Club’s ladies’ tournaments, a change has been made to our tournament handicaps. Your Handicaps for all Ladie’s tournaments will be based on your last 5 tournament scores in the last 3 years. If you do not have 5 tournament scores, we will use your current handicap index. This was done to give an overall representation of tournament play versus regular play and make it fairer for all participants.
- All handicap percentages will be determined from the USGA Rules of Handicapping Appendix C, listed below.

<b>Format of Play</b>	<b>Type of Round</b>	<b>Recommended <i>Handicap Allowance</i></b>

## ***Tees***

In certain events/leagues, players will have the option to play from different sets of tees. Tee options will be posted on the event's rule sheet. As a rule of thumb, below are the parameters for tee options for men based on index. Course Handicaps for all events that allow different tee options will be adjusted according to USGA recommendations.

- 8.0 and under: Black or Blue Tees
- 8.1 – 14.9: Blue or White Tees
- 15 and above: Blue, White, or Red Tees
- Gold Tees may be considered for extenuating circumstances
  - Must be over 60 to play Reds, and over 70 to play Golds

*\*Please note some men's events require all players to play the Blue Tees, or other specific sets of tees.*

For Women, some events are played from Red Tees only. Some events the option of Red Tees or Gold Tees will be available. Tee options will be posted on event rule sheet.

**ALL PLAYERS MUST NOTIFY THE GOLF SHOP WHICH TEES THEY ARE PLAYING UPON SIGN UP FOR EVENT.**

For regular play, we suggest that you play whichever set of tees that allow you to have the most fun!

Just remember when posting your score to indicate which set of tees you played from.

# ***Player Responsibilities***

## **Handicaps:**

All Men's and Ladies' Association members, or anyone participating in a golf event are required to maintain an accurate and honest handicap. Players are expected to understand how to properly adjust and post scores. If you are unsure of how to adjust or post your score, please ask the Golf Shop staff, or visit [www.usga.org](http://www.usga.org).

"I didn't know" is **not** an excuse for handicap violations. Players are required to post all scores as soon as possible after **every** round. The GHIN mobile app is an excellent resource for posting scores which is very quick, easy to use, and always in your pocket. All scores should be posted the same day the round was played.

### **This is what the USGA says about what a Handicap Index represents:**

*A Handicap Index is designed to represent your ability when you're playing well – which is why you should be proud whenever you play to your handicap or better. You can typically expect to score about 2-4 strokes higher. (USGA Handicapping Reference Guide, pg.22)*

An important component of the USGA Handicap System is peer review, which provides the ability to review other member's scoring records. It is incumbent upon all club members to participate in peer review.

Participants in all club events must have an established handicap. If you do not have an established handicap the PGA staff will assign you one based on recent scores, but weighted lower to protect the field. If you do not have any recent scores, your handicap will be a +2 for men and a 0 for ladies.

The Golf/Handicap Committee will monitor and review handicaps for ECC events.

## **Posting Scores:**

To post scores, please utilize the GHIN mobile app or inform the golf shop of your score after your round. Posting your score the day you play is very beneficial to potentially take advantage of the Playing Conditions Calculator (please see the USGA rule book for more information).

Please post every round HOLE-BY-HOLE rather than entering a total score. This helps the club study the hole handicaps so we can make appropriate adjustments and helps with the accuracy of your handicap as it is figured with Stroke Control. The max score any player can take on a hole for posting purposes is Net Double Bogey. Many events (such as stroke play events) you can still record a score higher than Net Double Bogey, but for posting purposes, Net Double Bogey is the highest score the GHIN system will allow.

Net Double Bogey is defined as double bogey plus the number of handicap strokes allotted on that hole. If a player gets one (1) stroke on a par 4, net double bogey is seven (7). (Double bogey: 6 + Handicap strokes: 1). If a player gets two (2) strokes on a par 5, net double bogey is nine (9). (Double bogey: 7 + Handicap strokes: 2).

### **Remember:**

We are here to have fun with old and new friends. Let's congratulate a player that shoots a career round!

### **Respect the Golf Course:**

All players are expected to repair ball marks, rake bunkers, and fill in divots with sand and seed mix. Leave each hole as you would like to find it when playing. Please remember to lay the flagstick down as to not damage the green.

### **Golf Cart Regulations:**

- Only two (2) riders per cart
- Max of two (2) bags per cart
- 3 players or less = 2 carts max per group (please pair up)
- 4 players or more = 3 carts max per group (please pair up)
- **Driver of any cart (club or privately owned) must be 16 unless accompanied by an adult**
- All carts must be kept 30 feet from greens, tees, and bunkers
- Keep all four tires *on the cart path* around tees and greens

### **Pace of Play:**

Players are responsible for keeping up with the group in front of them. Don't look back when seeing if you are on pace, *look forward*. Always play ready golf (something the USGA rules now recommend). During team tournaments, balls that do not count for team score should be picked up and the "most likely" score should be recorded. During regular play, slower groups should always allow faster groups to play through if a hole is open ahead.

### **Practice Facility:**

Due to its small size, our range should be treated as more of a warm-up facility. The **MAX** distance allowable on the range is 250 yards. Please be courteous to other members and **DO NOT** strike any shots that could go further than 250 yards. You are liable for any errant shots that leave the range, in any direction.

## **Rules:**

Players are responsible for understanding the rules. Rules/Format sheets will be available before every tournament. Please take the time to read and understand them. See the golf shop if you have any questions

- **No gimmies!** Any score going on the scorecard **MUST** go in the hole
- Please turn in legible and accurate scorecards
- Please only write **GROSS** scores on the scorecard
- All tournament scores and league scores will be posted by the golf shop as “C” scores

## **Dress Code:**

Proper Golf Attire for Men:

- Collared shirt | Well-maintained t-shirt | Pants/Jeans | Shorts of medium length

Proper Golf Attire for Ladies:

- Ladies’ shirts must have sleeves or a collar | Well-maintained t-shirt | Pants/Jeans | Shorts/Skirts/Skorts of medium length

Not Appropriate Attire:

- Tank tops | Muscle shirts | Spaghetti straps | Halter tops |
- Cutoff jeans/slacks | Sweatpants | Gym shorts
- Metal spikes are prohibited

## **Other Golf Policies:**

- Guests may play with any member up to a total of five (5) times per year
- All golf shop credit expires November 15<sup>th</sup> every year
- Play will be commenced only with Golf Shop approval at either #1 or #10 tees. Play is not to be commenced from any other place on the course, except during authorized shotgun tournaments.
- 5-somes are allowed with Golf Shop approval
- 6-somes are allowed from November 15 – March 31 with Golf Shop approval
- Players stopping for lunch after 9 holes will relinquish 10<sup>th</sup> tee privileges
- Any individual damaging the golf course or carts in any manner shall be assessed for the damage. Members are responsible for their guests.
- The Men’s and Ladies Associations, along with the PGA Head Golf Professional shall govern all matches, tournaments, and events. Approval of outside events shall be at the discretion of the Board of Directors
- Tournaments and events will be publicized via email, on bulletin boards, and through other means
- No game or contest of any character, to which the public may be invited, shall be held upon any part of the club grounds without the previous permission of the BOD

## ***Season Long Race for the Cup - Men***

The Race for the Cup point system is used to determine the Season-Long Race for the Cup Champion.

Standings are updated after each Race for the Cup event and are posted outside the golf shop and will be shared in golf shop update emails. Each event allocates 275 points for the top 10 finishers. The top finishers in the Race for the Cup will qualify for the WYCO Cup and the Eaton CC Ryder Cup Event.

All members playing in Race for the Cup events (except for Finale/Closing Day) will be charged \$5 additional to the entry fee that will go to the Race for the Cup payout. Each player participating in a race for the cup event will receive 5 points. Last year we paid the top 5 spots, with the Race for the Cup champion winning \$400 in shop credit!

Each Event Allocates **275 Points** (ties will be split)

***50 - 45 - 40 - 35 - 30 - 25 - 20 - 15 - 10 - 5***

- **THURSDAY NIGHT MEN'S LEAUGE:** 275 points allotted per flight.
- **ARNOLD DALTON:** Top ten individual members.
- **2 MAN BEST BALL:** Top ten members.
- **REX EATON/CLUB CHAMPIONSHIP:** Top 10 36-hole net winners (Double points event)
- **MEMBER/GUEST:** Top ten members.
- **INDIVIDUAL MATCH PLAY:** Point distribution determined by number of entrants.
- **TEAM MATCH PLAY:** Point distribution determined by number of entrants.
- **2 Person Scramble: Top ten members**
- **FINALE (Men's Closing Day):** Double points for top ten individuals.
  - *100 - 90 - 80 - 70 - 60 - 50 - 40 - 30 - 20 - 10*
  - *Overall points champion after final event wins the Cup and shop credit.*

## ***Charity/Outside Events***

As members of Eaton Country Club, we share a collective pride in our beautiful course and vibrant community. One way we can strengthen our club while making a meaningful impact is by hosting charity events. These events provide an opportunity to support worthy causes that align with our values, allowing us to make a tangible difference in the lives of others.

Besides the charitable impact, these events bring significant benefits to our club. They enhance our reputation as a golf course that values giving back, attracting positive attention and potentially new members. Charity events also bring financial advantages. By generating revenue through event fees, these events help offset operational costs. This additional revenue contributes to keeping membership dues more affordable for everyone, easing the financial burden on our members while maintaining the high standards we all expect.

Many of these events introduce new people to the sport of golf, helping to grow interest in the game and encouraging new players to experience what our course has to offer.

By hosting charity events, we ensure that ECC remains not only an excellent place to play golf but also a cornerstone of community engagement. We also recognize the importance of balancing these events with access to the course for our members. After each charity event, we will open the tee sheet for open play (allowing enough time for scoring, washing and staging golf carts) giving members the opportunity to enjoy the course once the tournament concludes.

Below are the dates of our scheduled charity/outside events.

Thursday, March 20<sup>th</sup> – Severance HS Girls Invite

Friday, May 16<sup>th</sup> – United Way/Fred Bauer Memorial

Saturday, June 7<sup>th</sup> – Stampede Foundation

Friday, June 13<sup>th</sup> – American Legion

## ***Event Information / Entries***

Below are all the details for the 2025 events.

- **While we plan on the following dates, formats, and costs listed below, all information is subject to change based on costs, participation, weather, etc.**
- **NEW THIS YEAR!** Thanks to the Men's Association, we have upgraded to the Premium Golf Genius Package. That means you will now be able to register for each tournament directly through Golf Genius. Each tournament will have a link on our website to register, and we will also be emailing links to each tournament's registration page multiple times prior to each event. This will also allow us to do live scoring on your phones to facilitate after tournament and league results.
- Any entry fees for members will always be charged directly to the member's account. Please do not send in check/cash if you are a member.
- **All tournament and league scores where Golf Genius is used for scoring will be posted by the golf shop.**
- To play in any Men's or Ladies event, you must be a member of the appropriate association.
- To sign up for events, please email, call, or stop by the golf shop!
- **Nearly all events will have side games so *BRING CASH!***
- **Weekend Points Games:** On weekends not already scheduled with tournaments we will have a Stableford Point Quota game that can be played on either Saturday or Sunday. Your starting quota will be based on your handicap index. Throughout the remainder of the season your quota will go up or down based on your performance in the quota games.
